

As I wrote the FCC on previous occasions, allowing a fewer corporations to so completely dominate our media opens the way for abuse of their power, and the control of information to the public. Sinclair's recent efforts to do just that serve as proof of my contention.

Sinclair stations use public airwaves free of charge, and are required by law to serve the public interest. One-sided programs, like "Stolen Honor", do not serve the public interest and are harmful to our democracy. Please urge that their stations not be forced to air "Stolen Honor," or at the very least that they air a pro-Kerry program like "Going Upriver" shortly after, to assure a balanced presentation.
